EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Jane Potter on April 27, 2005.

The application has been amended as follows:

In the claims, please cancel claims 6-19.

Information Disclosure Statement

Concerning the IDS filed August 30, 2001, it was noticed that reference BF (page 3) was inadvertently omitted from being initialed, and that the final page of the IDS was not signed and dated by the Examiner. In an effort to make the file complete, the IDS is being resubmitted with a full consideration of the references, and with the final page being signed and initialed.

Drawings

In order to avoid abandonment, the drawing informalities noted in the paper mailed on April 23, 2003, must now be corrected. Correction can only be effected in the manner set forth in the above noted paper. A copy of the form PTO-948 (Notice of Formal Drawings Required) is attached to this Office Action for Applicant's convenience.
